WITH OPEN HEARTS, OPEN MINDS and OPEN DOORS
REACHING OUR COMMUNITY

Join us on Sunday, **July 3rd** at
10:00 am
to celebrate the 4th of July and to welcome
our new pastor,

Dr. David Patterson

Following the service we will have our annual 4th of July potluck, so plan on staying and greeting the new pastor and celebrating the holiday.

The United Methodist Men will be providing hot dogs and hamburgers, buns and condiments.

A - H will bring desserts
I - Z will bring sides/salads

Hope to see you there!!!

THANK YOU

Many thanks to all of the people of Vista for your many kind expressions of sympathy during my husband's lengthy illness and death, on April 11th. Special thanks to the Pastor's Monte and Matt. The Vocal Seniority, Don Little, The Bell Choir, and Mary Bellah for making Wesley's memorial service so meaningful. Last but not least The Hospitality Committee provided a lovely reception following the service. And it went without a "hitch"! My family and I will always remember the beautiful service and all the love that went into it's preparation.

Sincerely,

Mattie Landrum

UMM Echoes article

Summer is here and with it considerable change comes to Vista de la Montana UMC. We lose our two pastors, each with many years of tenure and each with his own highly developed and complimentary approaches to ministry. Our loss is considerable. Our gain is soon to be discovered through the appointment our new pastor, a man of experience and letters. There will be a transition period. The UMM will assist our outgoing pastors and their families and our incoming pastor and family. We look forward to this change as a period of learning and growth and a time of spiritual progress for all of Vista church. Through change we progress.

Hot weather is finally upon us. So far this June has been remarkable, nights are still cool and days have avoided too much blistering heat. Howard Young will need several volunteers for mowing detail along Vista's driveway. Please honor Howard's request for landscaping volunteers. About 8 to 10 volunteers are needed, and the work can be done in 2 hours or less. Help Howard when he calls for landscaping detail.

UMM will set up chairs and tables for the July 3rd "Welcome to the new Pastor" Pot Luck. We need about 8 good volunteers (more is better) to set up for this event. Tear down will be a call to all in attendance (on July 3rd) which worked very well last time.

Men of Vista....Stop by the UMM breakfast on the first Saturday of the month and introduce yourself. Life is short, do it now!

Happily submitted,

Jim Bless

Echoes Mission Outreach Ministry for July 2011

Greetings to all our Vista summer folks. At press time fires are raging in Southeast Arizona and all are hoping and praying that the Monsoons come quickly.

UMCOR and MEMORIAL DAY MISSIONS

Our hearts reach out to those who fight the fires and those who have suffered such great losses from these fires. It is a great reminder that life can bring us, in the blink of an eye, so many unexpected events. I am happy to report that through your great generosity, we were able to send UMCOR a check for \$1680.00 for the Tornado Disaster Relief that devastated so many in our country. In addition, we were able--through our Memorial Day Collection-- to send a check for \$1400.00 to the Davis-Monthan AFB, for Phone Cards and the "Hearts Apart" program that assists the families of the deployed troops. Thank you so very much for your caring hearts.

AGUA PRIETA and FUENTE de VIDA

As we do each year, Vista UMC will be collecting school supplies for the Children & Youth of Agua Prieta for the upcoming school year. There has been so much progress in the education of these great kids! Many have now graduated from high school and are seeking higher education. We all remember joyfully, our very first graduate, Augustine Rojas, who is now married and is a pastor of a church in Baja California, Mexico. What a thrill it was to receive him at Vista in 2010 as he came in person to thank us. There are now ten others who are seeking sponsors to help them reach their goals. Visit the Apple Tree in the Narthex and, if you feel led to do so, sponsor one of these worthy students for \$60.00 a semester (4 Months). We hope to get all of these great young people sponsors as we continue to help them rise above the poverty they endure so that they may become productive citizens in their own country. Each Sunday there is a list of the needed school supplies in the Sunday bulletin. Please take it home and when you see a BACK TO SCHOOL sale, pick up some of the school items that the children need and drop it in the Mission Baskets in the Narthex. You may never know what a blessing you can be, but certainly God does! Call Jan Hopke -Almer, Education Leader at 818-2504 for further information on the school supplies and the scholarships.

CMT HAS A NEW NAME!!

Children, Youth and Family Ministry CYFM

The Children's Ministry Team now has a new name – Children, Youth and Family Ministry. So CMT has now become CYFM. It's hard for us to remember sometimes, too, but it's a perfect description of what we're all about. With the changes in staffing and transitions we've been making, it describes all the hats we will be wearing. The families have been meeting with the team to express their concerns, wishes and hopes, and we've been working together to answer all. We will be having many activities for the Youth as well as for the families over the summer months, along with a regular Bible Study for the Youth of Vista, led by Nancy Yob. The parents have been more involved in the planning and execution of the activities, so this promises to be a very exciting time.

Speaking of exciting times, the children of SonQuest and Live BIG have wrapped up their final units for the school year and are moving right in to the summer mode. They began by really "Shaking Things Up" at Vacation Bible School and had a wonderful and spiritually fulfilling week. As we do go into the summer months, our regular SonQuest program has been replaced by Summer SonDays. The Nursery will operate as usual, and during the second service a CYFM staff member will accompany those children from Preschool to grade 3 to the Education Building to follow a continuation of our VBS program. Children in grades 4 and up are encouraged to stay in the worship service with their families.

After the children's exciting finale to VBS – the Closing Celebration (see more in another article) – the CYFM team took Matt and Cathy out to lunch to celebrate their many years of most valuable service to our children and youth. It is certainly tough to say good-bye, but we have nothing but love for them both and wish them the best in God's next chapter. We will miss them terribly, but we know God has a plan.

Blessings,

Barbara Johnson

SHAKE IT UP CAFÉ HAD EVERYBODY COOKING!!

The Shake It Up Café Vacation Bible School was a smoking success (literally) this year. Our 86 young chefs had an exciting week of activities designed for them to learn to follow God's recipe. From their Opening and Closing Ceremonies with their dynamic Chef Basil (Charlie Adami) and his sidekick, Scraps the Raccoon (Debbi Maloid), to their guides taking them to all the different stations – Music, Science, Crafts, Bible Story, Snacks and Mission – they were busy chefs! The highlight of the week came at the Closing Celebration for the families. The children performed songs, the Tweens (all 23 of them) prepared a video retelling the Bible Stories in a modern setting, and there was an interesting cook-off competition between Chef Basil and Chef Boy-ar-dee (Gavin Lubben). The audience got to participate as well, as the ceremony ended with a pie-eating contest involving 4 of the young chefs. To top everything off, Chef Boyardee's creation burned up, so everyone went outside to get cooled off by the Fire Department.

All of the kids had a wonderful time, and showed their appreciation to the Golder Ranch Fire Department by giving them a check for \$70 from their weekly collection bank. A huge thank you goes out to all the wonderful staff and volunteers who made this week possible. Our congregation is such a giving one, and it certainly showed in the monetary contributions as well as the contributions of the time and energy of so many to put this together and make it such a meaningful experience for the kids.

A special big THANK YOU goes out to the Youth. From assisting the station leaders, to assisting guides, to being Bible characters, to Kara Synhorst leading the Music – they were absolutely fantastic and we couldn't have done it without them! Thank you to all of you – and especially since you went right from doing VBS to your Mission Trip in New Mexico. God has blessed us in so many ways!

Catalina Community Services

Vista's Vacation Bible School donated 214 pounds of food to Catalina Community Services Food Bank this past week! Throughout the week Vista's VBS 80+ participants learned about giving and sharing and how they can help in their community and the world during our "Missions" time with Joy Oram.

You might be surprised to know that 525 students between the school ages of Kindergarten and eighth grade, are currently registered in CCS's Food and Clothing Bank programs. This is nearly one half of the Coronado School K-8 population.

Look for the Vista Grocery Basket on the last Sunday of the month. Pick up your bags for food or envelopes for the collection plate. The first Sunday of every month is the day to bring the bags full of non-perishable food or your money donations to be tripled by CCS.

FIRST SUNDAY COMMUNION for US = REMEMBER FOOD for OTHERS

Pick up the latest CCS newsletter in the Narthex. It is filled with news and pictures about the services and volunteer opportunities. Go online at www.catalinacommunityservices.org to see kids, teens and family activities available in CCS's beautiful meeting rooms on 3535 E Hawser St. Activities include Teen Sew Cool, crafts, movies, games, etc. during June and July.

Thank you for your continuing support!

TUCSON HOSPITALITY INN

Good news! Southern Arizona Foundation awarded the Inn a grant for \$5000 in June. We are waiting to hear about another grant as well. For the first time in three years, the Inn is full during a summer month. It is good news for the finances of the Inn, but of course not good news for the people who have to be there for medical reasons.

Please keep the Inn, Lou Tompkins, manager, and its guests in your prayers. A special prayer need is for Laura Lane's father John. (Laura is volunteering her services as House Manager.) John moved here from Oregon in May last year to get a double lung transplant. He is still waiting and getting discouraged. Several times he has been close to getting a match, but they haven't worked out. Please keep John and his family in prayer.

For more information about the Inn or to volunteer contact: **Kay Gragg, 544-2545.**
